TO WHOM IT MAY CONCERN

I have had the pleasure of working with SOMA since November 2013 to date.

SOMA is our Health Risk Manager. I am greatly impressed by their exceptional response and quality of their assessments regarding any applications sent to them for temporary incapacity leave.

Although we communicate with SOMA telephonically and via email there has not been a single time where their service delivery and commitment has been in question. Their co-operation is exemplary.

I can say without any doubt that the services of SOMA is greatly appreciated and I recommend their continued service to the North West Province.

Thanking you
